Luke 4:18-19 (NKJV)

It is the vision of Mount Olive to be a church that is intentional in its efforts to identify and meet the needs of broken, hurt and oppressed people in the greater Glen Allen area through the message and ministry of Jesus Christ.

MOBC COMMUNITY NEWS!!

Season of  **May 23 - August 28, 2021** 
Pentecost **THE COLOR OF FIRE REPRESENTS THE HOLY SPIRIT.**

Pentecost, the fiftieth day after Easter, comes from the Greek word for fiftieth, *pentekoste*. Greek-speaking Jews called the Jewish Feast of Weeks the Day of Pentecost. Acts 2 tells how the anxious and fearful disciples, who had gathered on the Day of Pentecost, were filled with the Holy Spirit and thereafter preached boldly the gospel of Jesus Christ. This is the day on which the church received the Holy Spirit. **The Pulpit Attire is Red.**

Theme For This Quarter:

"CONFIDENT HOPE"

The study this quarter looks at God's gift of faith as the source of hope. Sessions from the Gospels illuminate hope and faith in teachings and miracles of Jesus. Sessions from the Epistles show how the early church understood God's gift of salvation through faith in Christ as the source of hope.

UNIT 2 * "FAITH AND SALVATION"

This unit has four sessions. They explore in Paul's Letter to the Romans his understanding of the hope of salvation through faith. The letter teaches that God's righteousness is revealed in those who live by faith. Paul illustrates faith through the example of Abraham. He unpacks the teaching about being reconciled to God by justification through faith and teaches that salvation is for all.

NEXT WEEK'S LESSON:

HOW TO ACCEPT JESUS CHRIST INTO YOUR HEART

Perhaps while reading the announcements you realized you have never made a Christian commitment. Don't delay that decision! We encourage you to embrace God's love today and receive the salvation that only Jesus Christ gives. Here are five simple steps you can take to find assurance of salvation.

1. **Recognize your need.** The Bible tell us that "all have sinned and fall short of the glory of God." (Rom. 3:23) All of us are sinners, and we must admit our need for a Savior.
2. **Repent of your sins.** Our sins create a wall that separates us from God. By confessing our sins and turning from them, you will find forgiveness. The Bible promises: "If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness" (1 John 1:9).
3. **Believe in Jesus.** God sent His only Son to die so that He could pay for all our sins. Put your faith in Him and believe in His power to save you. The Bible says, "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life" (John 3:16).
4. **Receive His salvation.** God has given us a great gift in His Son, but we must receive His gift. Thank Him for loving and forgiving you, and ask Him to live in your heart. His promise to us is clear: "But as many as received Him, to them He gave the right to become children of God" (John 1:12).
5. **Confess your faith.** The Bible assures us: "If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved" (Rom. 10:9). You have been born again and are now part of God's family. Tell some one else what Jesus has done in your life!

Heavenly Father, I now understand my need to have my sins forgiven. I also realize that only Jesus — because of His sacrifice on the cross — can forgive my sin. I put my faith and trust in Jesus today. Please forgive me and become the Lord of my life.

August Health Segment Peripheral Arterial Disease (PAD)

What is Peripheral Artery Disease and who does it effect?

Peripheral artery disease is a narrowing of the peripheral arteries serving the legs, stomach, arms and head. ("Peripheral" in this case means away from the heart, in the outer regions of the body.) PAD most commonly affects arteries in the legs.

QUICK FACTS:

Be aware that:

- Many people mistake the symptoms of PAD for something else.
- PAD often goes undiagnosed by healthcare professionals.
- People with peripheral arterial disease have a higher risk of coronary artery disease, heart attack or stroke.
- Left untreated, PAD can lead to gangrene and amputation.

Added risks for PAD:

Other factors can increase your chances for peripheral artery disease, including:

- Your risk for peripheral artery disease increases with age.
- **High blood pressure** or **high cholesterol** puts you at risk for PAD.
- **If you smoke**, you have an especially high risk for PAD.
- If you have **diabetes**, you have an especially high risk for PAD.

What Causes PAD?

If you have **atherosclerosis**, that means that plaque has built up inside your artery walls. Plaque is made up of deposits of fats, cholesterol and other substances. Atherosclerosis in the peripheral arteries is the most common cause of PAD.

What Can you Do?

Treatment for **peripheral artery disease** (PAD) focuses on reducing symptoms and preventing further progression of the disease. In most cases, lifestyle changes, exercise and claudication medications are enough to slow the progression or even reverse the symptoms of PAD.
