Season of
Epiphany

January 7 — February 25, 2021

The Pulpit Attire is Green

The color for Epiphany is **GREEN**. The color **GREEN** stands for life and growth. The color of the table cloth on the Communion table and podium are changed to **GREEN** to indicate the season. The "pulpit dress" is changed according to the season of the Christian Calendar.

Theme For This Quarter: "CALL IN THE NEW TESTAMENT"

This quarter examines God's call in stories from the New Testament. The greatest call came to Jesus. Other calls in the New testament led to the extension of Christian ministry into the world.

UNIT 2 * JESUS AND CALLS IN HIS MINISTRY

This unit presents four lessons about Jesus' ministry. Luke emphasizes Jesus' call to proclamation and ministry and identifies Jesus as one who calls followers. Mark speaks to Jesus' call to a ministry of healing. John gives us a look at Jesus' call as the intercessor for those who follow Him.

NEXT WEEK'S LESSON:

January 31, 2021

"Prophesying Daughters"

Luke 2:36-38; Acts 2:16-21; 21:8-9

All people have a unique purpose in life. How do we affirm each individual's purpose? The Gospel of Luke and the book of Acts provide examples of women responding to God's call.

Sermon Highlights

January 17, 2021

Title: "The Other Side Of The Coin"

Text: Matthew 5:14-16

Main Idea: There are two sides of a coin. The good side teaches us to live a life of self-sacrifice. The other side of the coin is about neglect and missing opportunities to do good. What do we do in light of the other side of the coin? In light of the other side of the coin, we must:

- Main Points:**
- 1) Put emphasis where it's needed.
 - 2) Put energy into it.
 - 3) Focus on efficacy.

HOW TO ACCEPT JESUS CHRIST INTO YOUR HEART

Perhaps while reading the announcements you realized you have never made a Christian commitment. Don't delay that decision! We encourage you to embrace God's love today and receive the salvation that only Jesus Christ gives. Here are five simple steps you can take to find assurance of salvation.

1. **Recognize your need.** The Bible tell us that "all have sinned and fall short of the glory of God." (Rom. 3:23) All of us are sinners, and we must admit our need for a Savior.
2. **Repent of your sins.** Our sins create a wall that separates us from God. By confessing our sins and turning from them, you will find forgiveness. The Bible promises: "If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness" (1 John 1:9).
3. **Believe in Jesus.** God sent His only Son to die so that He could pay for all our sins. Put your faith in Him and believe in His power to save you. The Bible says, "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life" (John 3:16).
4. **Receive His salvation.** God has given us a great gift in His Son, but we must receive His gift. Thank Him for loving and forgiving you, and ask Him to live in your heart. His promise to us is clear: "But as many as received Him, to them He gave the right to become children of God" (John 1:12).
5. **Confess your faith.** The Bible assures us: "If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved" (Rom. 10:9). You have been born again and are now part of God's family. Tell some one else what Jesus has done in your life!

Heavenly Father, I now understand my need to have my sins forgiven. I also realize that only Jesus — because of His sacrifice on the cross — can forgive my sin. I put my faith and trust in Jesus today. Please forgive me and become the Lord of my life.

"What We Believe" Article of Faith of the Month

XVIII. THE WORLD TO COME.

We believe the Scriptures teach that the end of the world is approaching; that at the last day, Christ will descend from heaven, and raise the dead from the grave for final retribution; that a solemn separation will then take place; that the wicked will be adjudged to endless punishment, and the righteous to endless joy; and that this judgment will fix forever the final state of men in heaven or hell, on principles of righteousness.

January Health Segment

Meditation

What is Meditation?

Meditation is a practice where an individual uses a technique of calmness, where your mind settles inward through quiet levels of thought until you experience the most peaceful levels of calmness.

How does Meditation benefit you?

- 1.) Deeper inner calmness
- 2.) Clarity of mind
- 3.) Reduce depression and anxiety
- 4.) Insomnia decrease
- 5.) PTSD decrease
- 6.) Cardiovascular health benefits

What Meditation is not

*Religion, philosophy, cult, or a lifestyle.

Facts and Statistics

The number of people practicing meditation has more than tripled since 2012

Meditation improved anxiety levels 60% of the time.

Meditation can reduce the risk of being hospitalized for coronary disease by 87%.

Practicing meditation can increase your attention span after only 4 days.

Meditation relieves the symptoms of insomnia 75% percent of the time.

Practicing meditation can have a positive effect on relieving in pain.

Meditation may lower blood pressure 80% of the time.

School suspensions were reduced by 45% due to meditation.

Since 2012 the number of children meditating has increased by more than 800%.

Women are more likely to meditate than men.

Global statistics show that across the world between 205 -500 million people meditate every day.

Simple STEPS to Meditate

- 1.) Sit or lie down comfortably. (You may want to use a cushion or pillow of some sort)
- 2.) Gently close your eyes and make no effort to control your breath. Simply breathe naturally.
- 3.) Focus your attention on the breath and how the body moves with each inhale and exhale.

*Notice the movement of your body as you breathe. Simply focus your attention on your breath without controlling it. If your mind begins to wonder just simply lie or sit comfortably and return your focus back to your breath. Maintain this meditation practice for 3 to 5 minutes and then you may try for longer periods of up to 15 to 20 minutes. Sometimes you can provide sound in the background to assist like water sounds, spiritual instrumental music, or birds chirping. Anything that is soothing but please remember, adding this isn't required.

Conclusion

Improving heart health, stress reduction, relieving back pain to boosting our memory, meditation offers a wide range of great health benefits. It's not a surprise that the meditation statistics show how this practice is growing in popularity both in the United States and in the world. People are becoming more aware of how stress negatively affects our physical and mental well-being. Meditation may potentially provide a perfect solution for regaining a piece of mind and a sense of well-being.
