The Pulpit Attire is Purple

Lent: The forty days are taken from the days of temptations and fasting Jesus spent in the wilderness. The forty days extend from Ash Wednesday to Easter Eve and contains six Sundays. Lent is a season of preparation for Easter through prayer, repentance of sins, almsgiving, and fasting.

Theme For This Quarter: "PROPHETS FAITHFUL TO GODS COVENANT"

This quarter introduces the ministry of the Old Testament prophets. God employs people who live among Israel and Judah to be spokespeople for God. A formal representative of God, the prophet has a message meant to effect social change that conforms to God's desired standards as prescribed under the Law.

UNIT 1 * "FAITHFUL PROPHETS"

"Faithful Prophets" has four lessons drawn from Deuteronomy, Joshua, 1 & 2 Kings, that explore the reasons prophets were necessary for Israel's history. Moses leads the people out of Egypt, thus fulfilling God's promise to bring the people back to Canaan. In Deuteronomy, Moses gives the people God's promise to give them prophets who will speak God's work to them. Stories about Joshua, Huldah, and Elijah illustrate the fulfillment of God's promise given through Moses.

NEXT WEEK'S LESSON:

March 21, 2021

"Huldah: Prophet of Wisdom"
2 Kings 22:14-20

No one knows all the implications of what they learn. Who can help us understand what the future holds? King Josiah's advisers consulted the prophetess Huldah who shared her God-given insights about the coming days of the nation and the king.

HOW TO ACCEPT JESUS CHRIST INTO YOUR HEART

Perhaps while reading the announcements you realized you have never made a Christian commitment. Don't delay that decision! We encourage you to embrace God's love today and receive the salvation that only Jesus Christ gives. Here are five simple steps you can take to find assurance of salvation.

1. **Recognize your need.** The Bible tells us that "all have sinned and fall short of the glory of God." (Rom. 3:23) All of us are sinners, and we must admit our need for a Savior.
2. **Repent of your sins.** Our sins create a wall that separates us from God. By confessing our sins and turning from them, you will find forgiveness. The Bible promises: "If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness" (1 John 1:9).
3. **Believe in Jesus.** God sent His only Son to die so that He could pay for all our sins. Put your faith in Him and believe in His power to save you. The Bible says, "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life" (John 3:16).
4. **Receive His salvation.** God has given us a great gift in His Son, but we must receive His gift. Thank Him for loving and forgiving you, and ask Him to live in your heart. His promise to us is clear: "But as many as received Him, to them He gave the right to become children of God" (John 1:12).
5. **Confess your faith.** The Bible assures us: "If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved" (Rom. 10:9). You have been born again and are now part of God's family. Tell someone else what Jesus has done in your life!

Heavenly Father, I now understand my need to have my sins forgiven. I also realize that only Jesus — because of His sacrifice on the cross — can forgive my sin. I put my faith and trust in Jesus today. Please forgive me and become the Lord of my life.

Sermon Highlights

Title: "Fruitful Productivity - Love"

Text: Galatians 5:22-26

Main Idea: God's love is something we receive from Him and then we share it with others. The Holy Spirit produces love in our lives. When it comes to the kind of love in this text being produced in our lives, the Holy Spirit is the producer, however, we are responsible to do something. We are responsible to:

- Main Points:**
- 1) Bring the needed raw material.
 - 2) Stay in our lane.
 - 3) Celebrate our victory.

Protein 15g	
Vitamin D 0mcg	0%
Calcium 320mg	25%
Iron 1.6mg	8%
Potassium 510mg	10%

This sample label shows you some key nutrients that impact your health. You can use the label to support your personal dietary needs – look for foods that contain more of the nutrients you want to get more of and less of the nutrients you may want to limit.

Nutrients to get less of: Saturated Fat, Sodium, and Added Sugars.

Saturated fat, sodium, and added sugars are nutrients listed on the label that may be associated with adverse health effects – and Americans generally consume too much of them, according to the recommended limits for these nutrients. They are identified as **nutrients to get less of**. Eating too much saturated fat and sodium, for example, is associated with an increased risk of developing some health conditions, like cardiovascular (heart) disease and high blood pressure. Consuming too much added sugars can make it hard to meet important nutrient needs while staying within calorie limits.

What are Added Sugars and How are they Different from Total Sugars?

Total Sugars on the Nutrition Facts label includes sugars naturally present in many nutritious foods and beverages, such as sugar in milk and fruit as well as any added sugars that may be present in the product. No Daily Reference Value has been established for total sugars because no recommendation has been made for the total amount to eat in a day.

Added Sugars on the Nutrition Facts label include sugars that are added during the processing of foods (such as sucrose or dextrose), foods packaged as sweeteners (such as table sugar), sugars from syrups and honey, and sugars from concentrated fruit or vegetable juices. Diets high in calories from added sugars can make it difficult to meet daily recommended levels of important nutrients while staying within calorie limits.

Note: Having the word “includes” before Added Sugars on the label indicates that Added Sugars are included in the number of grams of Total Sugars in the product. For example, a container of yogurt with added sweeteners, might list:

Total Sugars 15g	
Includes 7g Added Sugars	14%

This means that the product has 7 grams of Added Sugars and 8 grams of naturally occurring sugars – for a total of 15 grams of sugar.

Nutrients to get more of: Dietary Fiber, Vitamin D, Calcium, Iron, and Potassium.

Dietary fiber, vitamin D, calcium, iron and potassium are nutrients on the label that Americans generally do not get the recommended amount of. They are identified as **nutrients to get more of**. Eating a diet high in dietary fiber can increase the frequency of bowel movements, lower blood glucose and cholesterol levels, and reduce calorie intake. Diets higher in vitamin D, calcium, iron, and potassium can reduce the risk of developing osteoporosis, anemia, and high blood pressure.

Remember: You can use the label to support your personal dietary needs—choose foods that contain more of the nutrients you want to get more of and less of the nutrients you may want to limit.

LENT: A season of preparation

Let light shine out of darkness

A PERIOD OF FASTING and PRAYER

Mark 9:14-29

1. Fasting is more than mere self-denial or abstinence, but it does involve both. It is abstinence with a spiritual goal in mind. Fasting is abstinence from anything that hinders our communion with God.
2. Fasting usually involves setting aside food. However, you can also fast from activities such as watching television or surfing the Internet. The idea is to devote the time we would ordinarily spend on these activities to prayer and waiting before the Lord.
3. Fasting is about sacrificing that which gratifies the flesh in order to make an investment in that which builds up the spirit.
4. Fasting disciplines our spirits toward the things of the Father. When the time came for Jesus to seek direction concerning His ministry, He spent time fasting and praying. Though Christ was closer to God than anyone on earth, He still found it necessary to go this extra mile.
5. Fasting does not impress God with our spirituality to the point that He ignores our sin. On the contrary, genuine fasting will always cause us to examine our hearts to make sure everything is right with Him.
