JANUARY 6 — MARCH 6, 2020
The Christian Season of EPIPHANY

THE PULPIT ATTIRE IS GREEN

The color for Epiphany is **GREEN**. The color **GREEN** stands for life and growth. The color of the table cloth on the Communion table and podium are changed to **GREEN** to indicate the season. The "pulpit dress" is changed according to the season of the Christian Calendar.

Theme For This Quarter: "HONORING GOD"

This quarter explores ways of honoring God through worship. The Old Testament sessions recall how David and Solomon honored God by establishing the center of worship in Jerusalem and building the Temple. The New Testament sessions focus on Jesus' teachings about right attitudes that honor God through worship.

UNIT 2- — DEDICATING THE TEMPLE OF GOD

These four lessons explore Solomon's dedication of the Temple in 1 Kings. Solomon honors God by providing a place for the Ark, offering blessings to God for fulfilling the promise of David, by praying that God would hear prayers offered in the Temple, by calling the people to keep God's commandments, and by offering sacrifices to God.

NEXT WEEK'S LESSON:

January 26, 2020

"Solomon's Blessing"
 1 Kings 8:54-61

People often mark the start of new ventures with special ceremonies or observances because they have high hopes for success. How can we know that what we propose to do will succeed? After dedicating the Temple, Solomon prayed for God's continued faithfulness toward Israel.

HOW TO ACCEPT JESUS CHRIST INTO YOUR HEART

Perhaps while reading the announcements you realized you have never made a Christian commitment. Don't delay that decision! We encourage you to embrace God's love today and receive the salvation that only Jesus Christ gives. Here are five simple steps you can take to find assurance of salvation.

1. **Recognize your need.** The Bible tell us that "all have sinned and fall short of the glory of God." (Rom. 3:23) All of us are sinners, and we must admit our need for a Savior.
2. **Repent of your sins.** Our sins create a wall that separates us from God. By confessing our sins and turning from them, you will find forgiveness. The Bible promises: "If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness" (1 John 1:9).
3. **Believe in Jesus.** God sent His only Son to die so that He could pay for all our sins. Put your faith in Him and believe in His power to save you. The Bible says, "For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life" (John 3:16).
4. **Receive His salvation.** God has given us a great gift in His Son, but we must receive His gift. Thank Him for loving and forgiving you, and ask Him to live in your heart. His promise to us is clear: "But as many as received Him, to them He gave the right to become children of God" (John 1:12).
5. **Confess your faith.** The Bible assures us: "If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved" (Rom. 10:9). You have been born again and are now part of God's family. Tell some one else what Jesus has done in your life!

Heavenly Father, I now understand my need to have my sins forgiven. I also realize that only Jesus — because of His sacrifice on the cross — can forgive my sin. I put my faith and trust in Jesus today. Please forgive me and become the Lord of my life.

Sermon Highlights

January 12, 2020

Title: "God's Part!"

Text: Isaiah 43:18-19

Main Idea: God doing His part is to help us bring about our progress. Three things we need to understand about God doing His part in this year of progress.

- Main Points:**
1. God's part must be trusted.
 2. God's part is transformative.
 3. God's part leads to your testimony.

"What We Believe"

Article of Faith of the Month

VII. Regeneration.

We believe that the Scriptures teach that in order to be saved, sinners must be regenerated, or born again; that regeneration consists in giving a holy disposition to the mind that it is effected in a manner above our comprehension by the power of the Holy Spirit in connection with divine truth, so as to secure our voluntary obedience to the Gospel; and that its proper evidence appears in the holy fruits of repentance and faith, and newness of life.

What is Cervical Cancer?

Cervical cancer is a type of cancer that occurs in the cells of the cervix — the lower part of the uterus that connects to the vagina. You can reduce your risk of developing cervical cancer by having screening tests and receiving a vaccine that protects against Human Papillomavirus (HPV) infection.

Risk Factors

- **Many sexual partners.** The greater your number of sexual partners the greater your chance of acquiring HPV.
- **Early sexual activity**
- **Other sexually transmitted infections (STIs).** Having other STIs — such as chlamydia, gonorrhea, syphilis and HIV/AIDS — increases your risk of HPV.
- **A weak immune system**
- **Smoking.** Smoking is associated with squamous cell cervical cancer.

Symptoms

Early-stage cervical cancer generally produces no signs or symptoms. Signs and symptoms of more-advanced cervical cancer include:

- Vaginal bleeding after intercourse, between periods or after menopause
- Watery, bloody vaginal discharge that may be heavy and have a foul odor
- Pelvic pain or pain during intercourse

Prevention

To reduce your risk of cervical cancer:

- **Get vaccinated against HPV.** Vaccination is available for girls and women ages 9 to 26. The vaccine is most effective if given to girls before they become sexually active.
- **Have routine Pap tests.** Pap tests can detect precancerous conditions of the cervix, so they can be monitored or treated to prevent cervical cancer. Most medical organizations suggest women begin routine Pap tests at age 21 and repeat them every few years.
- **Practice Abstinence/Safe sex.** Delaying intercourse, using a condom, and having fewer sexual partners may reduce your risk of cervical cancer.
- **Don't smoke**
